

# Vyssa lulla litet barn

Sweden

Dm A Gm Dm A Dm  
Vys - sa lul - la li - tet barn in - te me - ra grå - ta.

Dm C Dm  
Stjär - nan hän - ger i vår björk, u - tan - för står

Gm C Dm A Dm  
nat - ten mörk. Då ska bar - net\* so - va.

## Translation

Vyssa lulla, little child, don't cry any more.  
The star hangs in our birch tree,  
outside it is dark night.  
So (the child) must sleep.

\* Instead of "barnet", the child's name can also be sung.

Melody and text: from Sweden
