## Translation

Љуља, љуља, љушка,  
на Мораву крушка,  
ту ми седи дете,  
па си љуља пете.

Rocking, rocking, rocking,  
a pear on the Morava,  
there my child sits  
swinging his legs.

The Morava is a tributary of the Danube.

The song can be repeated many times, until the child has fallen asleep, getting softer and softer.
